Solomon Virtual Learning Academy

Will your Lodge be the most Qualified in the Province?

Solomon, the online Virtual Learning Environment of the United Grand Lodge of England has recently introduced an online Academy to enable its Members to further their Masonic Knowledge via a series of interactive course modules, dedicated to the explanation of each stage of the individual Mason's Masonic Journey:

- **Welcome Entered Apprentice**
- **Welcome Fellow Craft**
- **Welcome Master Mason**
- **Welcome Royal Arch Companion**

Upon the successful completion of each course module, the participant is awarded a personalised downloadable Solomon Academy Certificate. Completion of all four Modules is rewarded by a Solomon Academy Diploma, signed by both The Assistant Grand Master RW Bro. Steven Varley and The 3rd Grand Principal E Comp. Gareth Jones OBE .

To promote the Academy within our Province and to encourage as large a participation as possible within the West Wales Lodges, a trophy will be awarded to the Lodge who's Members attain the largest number of individual 'Downloaded Certificates' (not Diplomas) as a percentage of their overall Lodge membership between 1st March 2025 and 30th April 2026.

The Worshipful Master of the winning Lodge will be presented with the award of '**Province of West Wales - Solomon Champion Lodge**' by our Provincial Grand Master during the annual Provincial Meeting in June 2026.

A League Table of competing Lodges will be published and updated on the Provincial Website.

Will your Lodge be Crowned Champion?

[Details of enrolling into the Course can be found on the following page](#)
