A Message from the Festival President

I am delighted to welcome you all to Parc Y Scarlets this evening to find out and celebrate, the result of the 2026 West Wales Festival in favour of the MCF (the Freemasons' Charity). The very successful Festival system works on an eleven-year cycle and it's a little bit concerning that this is the third Festival I have been involved in.

We held a soft launch of our 2026 Festival, rather ironically, on Friday 13th March 2020. I had been Provincial Grand Master for 10 months and it was the highlight of my first year. Sadly, it wasn't the most notable event because on 23rd March 2020 the whole country was locked down.

All Festivals are challenging, but Festivals in lockdown require extra resilience. I am very proud of how our Province responded to the challenges which we faced in those dark days. We raised money for the Festival and got involved with our communities and healthcare professionals in all sorts of practical ways. We also found plenty of money to support our communities without detracting from our Festival goals. As always, freemasonry made a difference!

In May 2020, the prudent planning of my predecessors and especially the wise advice of our Festival Chairman, VW Bro Ryland James enabled us to start the Festival with a £300,000 donation. During the last six years every brother, companion, lodge, chapter

and many other companion orders have supported the 2026 West Wales Festival. I look back with pride about how we have worked together in very difficult circumstances.

I am also delighted that we have been joined by so many eminent freemasons this evening. I am particularly pleased to welcome RW Bro Steven Varley who spent many happy days on holiday in West Wales as a child. I am also delighted that RW Bro James Long and VW Bro Les Hutchinson; the President and CEO of the Freemasons' Charity have found time to come and join us to celebrate our Festival this evening. Please make all our guests feel welcome and take the opportunity to speak to them and ask them questions.

I am also pleased to warmly welcome so many wives and partners. Your support and encouragement enable us to continue our efforts for Freemasonry in all its aspects.

Tonight is a celebration of the success of our collective efforts over the past six years. You have every right to be pleased with yourselves, and it is my sincere hope that we all have a most enjoyable evening.

RW Bro James Ross
